DETAILED ACTION

1. This Office Action acknowledges the applicant's amendment filed 29 September 2006. Claims 1-15 and 17-19 are pending in the application. Claims 16 and 20-29 have been canceled.

2. The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

Specification

3. In light of the applicant's amendment, the objection to the specification is withdrawn.

Claim Rejections - 35 USC § 112

4. Claims 1-15 and 17-19 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

In claim 1, it is unclear as to whether the dies are recited as required structure, thereby making the claim a combination claim.

Claims 2-15 and 17-19 are dependent on claim 1 and are rejected for the above reason.

Allowable Subject Matter

5. Claims 1-15 and 17-19 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.

6. As allowable subject matter has been indicated, applicant's reply must either comply with all formal requirements or specifically traverse each requirement not complied with. See 37 CFR 1.111(b) and MPEP § 707.07(a).

Response to Arguments

7. Applicant's arguments with respect to the number of strips within the grooves and the ability to receive dies on either side of the strips, as recited in amended claim 1, have been fully considered and are persuasive. The rejection of claims 1-15 and 17-19 under 35 USC 103(a) has been withdrawn.

Conclusion

Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not

mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
